

## Wheel brushes series 3000 XLK

“X-LOCK is a new 2-piece changing system to switch angle grinder accessories with just one click. Allows to lock and unlock the brushes, from the compatible angle grinders, up to 5 times faster than the classical system in total safe conditions. A world’s first by Bosch Professional.

### TYPES OF USE

Suitable to work on angular or shaped surfaces at high rotation speed. To remove slags, rust and residues from surfaces of any shape and material.
