

0353

Bevel brushes for string trimmers are a safe*, effective and environmentally friendly choice since they are an alternative to chemical herbicides often forbidden by many countries. Recommended string trimmer motor power: 1.6 HP or more.

Read and follow the safety instructions provided together with the brush and with the power tool before using brushes for grass trimmers. Included adapter with 20mm - 3/4" bore.

TYPE OF USE

Easily and quickly remove weeds, shrubbery and uncontrolled vegetation from streets, walkways, pavements of any kind (tarmac, cobbled), also in wide areas such as courtyards, car parks...
