

Bevel brushes for trimmers

Bevel brushes for string trimmers are a safe*, effective and environmentally friendly choice since they are an alternative to chemical herbicides often forbidden by many countries. The “PRO” variant is a “light” solution in Liz steel cord suitable for cleaning and removing weeds and moss from asphalt, stone, bricks. Can also be used for removing dirt from walls.

TYPES OF USE

Easily and quickly remove weeds, shrubbery and uncontrolled vegetation from streets, walkways, pavements of any kind (tarmac, cobbled), also in wide areas such as courtyards, car parks...
